

STOP PROGRAM MATH $+ - * /$

Marnie Shiels, Attorney Advisor

Amy Loder, Associate Director

Office on Violence Against Women

ALSO STAAR Project

June 13, 2019

Outline

- 1) Allocations
- 2) Administrative funds
- 3) Sexual assault set aside
- 4) Match
- 5) Live demo of how to do the calculations

Note Regarding PREA

- PREA set-aside was applicable to FY14-16, so it will not be covered here.
- Contact your program manager with any questions.

Allocations

- Start with award amount from OVW (including RSCCA if applicable)
- Apply the following percentages:
 - 30% victim services
 - 10 percent of that amount- culturally specific victim services
 - 25% law enforcement
 - 25% prosecution
 - 5% courts
 - 15% discretionary

Admin Funds Math

- Take each category and within the category, take up to 10%
- If you use less than the 10%, it should be returned to the category it came from
- See FAQ pages 11-12, questions 12-15

More on Admin Funds: What Are They For?

- To support state's costs to administer the program
- Examples:
 - Salaries and training of state office staff and consultants
 - Solicitation and peer review expenses
 - Monitoring compliance of subgrantees
 - Reporting to meet federal requirements
 - Reimbursement for costs to attend planning meetings

Admin Fund Uses Cont.

- Program audit costs
- Technology such as grant management systems
- Strategic planning (including STOP implementation planning)
- Program improvements
- See 28 CFR 90.17(b) and FAQ pages 11-12, question 13

Sexual Assault Set-Aside Math

- 20% total across 2 or more allocations (not counting discretionary)
- Take total award amount (again including RSCCA if applicable) and multiply by .20
- This is the total set aside amount- now ensure that this amount addresses sexual assault in at least two categories

More on the SA Set-Aside

- Projects must “meaningfully” address sexual assault.
 - Coalition help?
- Some examples:
 - Rape crisis services
 - Specialized services, such as culturally specific services or services for incarcerated victims
 - Dedicated units in police or prosecution
 - Specialized court training or dockets
 - SARTS
- See FAQ pages 30-31, Q9-11

Match Math

- Total award (including RSCCA, if applicable) minus subawards to victim service providers for victim services or to tribes. Also subtract any waiver granted by OVW
 - This is the amount that must be matched
- Take that amount and divide by 3
 - That is the match amount owed

Match Waiver Submission

- Letter to OVW Director formally requesting a waiver for the match requirement under STOP
- Request should be submitted by the state three months from the date of its most recent award
- Submit the request to OVW.STOPMatchWaiver@usdoj.gov
- Internal review and approval process
- Notification

More on Match

- Can be cash or in kind
- Can be passed to subgrantees except tribes and victim service providers (regardless of whether for victim services)
- See FAQ pages 16-20 and OVW Match Requirement Fact Sheet

Match Examples

- Rental value of donated office space. Also related costs such as utilities and security if not charged to the grant.
- Salaries of personnel working on the grant but not paid under it
- Time of people attending grant-related meetings (including implementation planning) if they are not paid under STOP
- Donated goods and services
